

# HEED THE WARNING

1TIMOTHY 6:6-11

(Verse 1)

We brought nothing in this world  
And we take nothing out  
That's the way God planned it  
Let me tell you what it's all about.  
For the love of money leads to corruption  
Foolish gain, what a shame, and self-destruction  
It's the root of all kinds of evil  
As it is written  
Gives a warning to all mankind  
Willing to listen

(Chorus)

**BETTER HEED THE WARNING  
AND DO WHAT RIGHT  
THE LORD IS WATCHING  
HE'S GOT YOU  
IN HIS SIGHT  
(Repeat)**

(Verse 2)

Take my advice my friend  
This is the deal  
Stop infidelity and  
Do not steal  
You gotta love your neighbor as your brother  
Respect yourself that's a fact, and one another  
Cause cheating, spreading rumors  
And telling lies  
This kind of living  
The Lord despises

**(Repeat chorus)**

**(Rap Verse)**

**Selfish pride precedes disaster  
Arrogance before the fall  
A hint to the wise  
Is always sufficient  
It's time for you  
To heed the call  
Lust of the flesh must be curtailed  
Girls with girls and males with males**

**Detested by the Lord but Satan's delight  
Goes against nature it 's just not right**

**(Repeat chorus)**
