

# IN THE SPIRIT

1 Corinthians 12:8-13

**Verse:**

Come on everybody let's worship in the spirit  
Raise your hands and praise the Lord.  
Seek God's direction in everything you do  
Draw near to God and He'll draw near to you

Come on every body and listen to this message  
I sing this song to let the whole world know  
You don't have to go through no big changes  
Come as you are just let your feelings go

**Chorus:**

**And you'll be  
Walking in the spirit. Talking in the spirit.  
Preaching in the spirit. Teaching.**  
(Repeat chorus)

**Guitar solo**

**Bridge:**

We all receive the same Holy Spirit  
Baptized in one God  
He's the one and only Holy Spirit  
Who gives us spiritual gifts, to serve our God above

Come on every body and get up on your feet  
Sing and dance and praise the Lord  
Receive the Holy Spirit and the power of love  
Sing a joyful song to God above

**(Repeat chorus 2 times)**
