

LETS ALL SING

PSALM 96:1-13

Chorus

Lets all sing about Jesus
Lets all sing to the one that's in control
Lets all sing about Jesus
I want to worship him and give him all my praise

(Repeat Twice)

Verse

Just want to thank you Lord for blessing me each morning
Just want to thank you Lord for the work I do each day
And when I read your word I realize what's important:
To put you first, to trust in you and bless your holy name

Repeat Chorus

Just want to thank you Lord for blessing my family members
Just want to thank you for good food and a bed
And when I read your word I realize what's important:
To put you first, to trust in you and bless your holy name

Bridge:

I want to tell the world that the Lord God reigns
I want the world to know I praise Him for everything
That's why I sing this song to let the truth be known
That Jesus is my God and He sits upon a throne

Guitar Solo:

Repeat Chorus twice
