

# SHOW ME YOUR WAY

**(Verse 1)**

There are times in my life  
I flip through your pages  
Lord I read a verse or two

**(Verse 2)**

Sometimes I feel so lost  
In a state of confusion  
Searching for better ways  
To bring me close to you

**(Verse 3)**

I don't mind spending my days  
Just to praise your name  
Cause you are an awesome God  
Worthy of all my praise

**(Chorus)**

Show me your way  
Every day  
I need you Lord

Show me your way  
Every day  
I need your Lord  
Show me your way... show me your way

**(Bridge)**

Lord I need you here with me  
To guide and set me free  
I need your strength from above  
I give my life to you  
And my praises too  
How must I live?  
To prove my love

**(Repeat Chorus 2 times)**
